Ms. Russell – I attempted to telephone you today, but was told that the number I had (571-272-4350 from most recent Official Action) was the wrong number.

The coinventors in the above-referenced patent application recently granted me Power of Attorney to assist them in prosecuting their application. The Power of Attorney forms were received by the USPTO on February 21, 2007.

The inventors and I would like to schedule a teleconference to discuss the most recent Official Action, mailed October 27, 2006. An Applicant Initiated Interview Request Form is attached. I would appreciate a phone call to confirm whether an interview on that date is possible. Thank you.
